### 30 YEARS OF QUALITY PRIVATE EDUCATION

Dear parent, we have put together some important information for you to get to know us better.

## More about our preschool...

- The school is registered with the Gauteng Department of Education with GDE registration 400886
- Our code of conduct is aligned to a value system that includes all religions and cultures
- We do not accept learners that are on diapers and that still depend on feeding bottles
- The language of tuition is English
- Learners must bathroom routine independent and possess basic communication skills
- Our teachers are highly qualified and SACE registered
- Aftercare is included in the school fees
- The preschool does not cater for learners with special needs (LSEN).

## WHAT WE STRIVE FOR

We are a dynamic and dedicated group of hardworking teachers. We incorporate innovation and creativity in every lesson we teach. We are always caring and loving towards every child and we work to satisfy every child's individual needs. Royal Schools Alberton also provides your child with beautiful facilities and a safe environment to develop their skills freely.

## OUR STORY

Royal Schools was established in 1993. We provide affordable quality private education. We offer academic excellence through experienced management and committed staff in an inclusive, safe and secure environment.

Our vision is to be the independent school of choice in the communities we serve.

## OUR VALUES

PEOPLE

"We always put people first in whatever we do"

INTEGRITY

"We always do what we say"

PERSEVERANCE

"We finish what we start"

EXCELLENCE

"We always give our best and improve on what we do"

We strive to achieve academic excellence by giving learners a joyful educational experience. At Royal Schools we learn and explore through play.

The national CAPS curriculum is used in Grade R and in Grades RRR-RR the national curriculum (NCF) focussing on ELDA (early learning and development areas) where we incorporate art, baking and playtime opportunities. We also integrate various reading programmes and science. We learn through play!

## WHAT PRESCHOOL IS ALL ABOUT

### ART

Art is an integral part of our curriculum as we are firm believers in the great impact that creativity has on fine motor skills and abstract thinking which lead to better problem solving skills. We work to unlock every learner's creativity and imagination. At our preschool we give learners many opportunities to experiment with various art materials and creative ideas. Learners cut, paste, mould, build, paint, draw and let loose with their imagination.

### BAKING

At Royal Schools Alberton we have a lot of fun teaching learners how to bake. We teach them how to make and love healthy food such as salads. They also learn how to bake muffins, cupcakes, cakes, puddings and then they top it off by decorating their creations with icing, sprinkles and sweets!

## VEGGIE GARDEN

How can one bake and make healthy things without the right ingredients? At Royal Schools Alberton we have our very own veggie garden where learners are taught about various plants and vegetables and how they grow. Our learners are actively involved in maintaining our garden by watering and getting rid of all those unwanted weeds. This also teaches our learners responsibility.

## TECHNOLOGY

In our Preschool we use technology to enhance our teaching methodologies. We also provide additional resources on Google Classroom for parents to continue learners' education at home.

## SCIENCE

We often do fun experiments to teach colours, weight, sliding and rolling objects etc.

## MEALS/TUCK SHOP

Parents can give learners tuckshop money for a treat at our tuck shop. We serve breakfast and lunch daily (included in fees). Breakfast is usually cooked porridge. Lunch is a balanced cooked meal with starch, meat and veggies. On Fridays hot dogs are served. No pork is served and we cater for learners with allergies.

## FUN DAYS

Hard work is rewarded with fun days! We like to dress up, watch movies, play on water slides or jump on a jumping castle. We also celebrate Valentine's day, Easter, Spring day, Heritage day and many more. Pool days are the best!

## OUTINGS

At Royal Schools we do not only teach our learners indoors, but teach them outdoors as well. We take our learners on various outings, which are always the highlight of the year.

## SOCIAL PROJECTS

At Royal Schools Alberton we believe in giving back to the community. We collect and distribute Easter eggs, tinned food and toiletries to support various needy organisations.
